Dear Mrs. Angus:

I am looking forward with pleasure to addressing your Club on Monday afternoon, the 15th of December. I will leave here on the Sunday night, probably by the Grand Trunk Railway so that I shall have the morning in the city.

I think I will take as my subject: "The Influence of the War on the Intellectual Development of Canada". I hope that this subject will be suitable.

Yours sincerely,

President.

Mrs. A. D. Angus,

Montreal, Q.

Dear Mrs. Angus:

Very many thanks for your letter. You are certainly making the best possible preparations for my entertainment in Montreal, and it is very good of you to arrange rooms at the Ritz-Carlton Hotel.

Please tell Dr. Angus, however, not to put himself out to meet me at the station in the morning. I very much prefer that he should not come down at so early an hour, and I will go directly to the Hotel myself.

Would you be kind enough to say to Mrs. Treble MacInnes that I am very glad to accept her kind invitation for lunch on Monday?

I am looking forward with much pleasure to my visit to Montreal.

Yours sincerely,

President.

Dear Mrs. Angus:

Please accept my thanks for your cheque for twenty-seven dollars in payment of my expenses to Montreal last Sunday. I am glad to know that the members of the Club enjoyed what I had to say. Certainly I had a very pleasant time myself, and I owe much of th- pleasure to you and Mr. Angus, and to the other ladies especially including Mrs. Macintosh. When you see her give her my warm thanks ?

Wishing you and yours a very happy Christmas Season,

Dear Mrs. Angus:

I wonder whether you could do better than to have a lecture from the Dean of our Faculty of Applied Science, Brigadier-General C. H. Mitchell, C.B. He was one of the most distinguished officers in the service of the British Army, and I am sure that he would give you an interesting talk.

I look back with great pleasure to my visit to Montreal, when you showed me such kind hospitality, and when I met the ladies of your Club. It hardly seems possible that six months should have gone by since then.

With kind regards to your husband and yourself,

I am,

Yours sincerely,

President.
